

The Chard Snyder Limited FSA

What is a Flexible Spending Account?

A Flexible Spending Account (FSA) can help you save money for dental and vision items and services for yourself and your family. FSA funds are deducted from your paycheck before taxes, so the money deposited into the account is **tax free** which **saves you money**.

You may save **up to 40%** on your dental and vision costs.

What is a Limited FSA?

A **limited FSA** is designated for eligible dental and vision expenses only. The limited FSA allows those with a Health Savings Account (HSA) to use HSA funds for medical expenses and use the limited FSA funds for eligible expenses such as orthodontia or glasses.

What are Limited FSA Eligible Expenses?

The IRS determines what expenses are FSA eligible. Eligible expenses are reimbursed if they are incurred by you, your spouse, or your tax dependents during the plan year. The chart below shows examples of eligible and ineligible expenses:

Eligible Expenses

Dental Visits	Eye Exams	Orthodontia or Braces
Contacts	Eyeglasses	Teeth Cleanings
Fluoride Treatment	Dental Fillings/Implants	Dental Deductibles
Dentures	Dental Surgeries	Dental Procedures

Ineligible Expenses

Medical expenses that are not related to dental or vision items and services	Cosmetic Optical Services	Toiletries
	Insurance Premiums	Toothpaste
	Cosmetic Dental Services	Dental Floss

Am I Eligible for a Limited FSA?

The limited FSA is offered by employers to complement a Health Savings Account (HSA). To maximize savings, you can enroll in both a limited FSA and an HSA. You are not eligible to be enrolled in both a healthcare FSA and a limited FSA.

How Do I Access My Limited FSA Funds?

The Chard Snyder Benefit Card provides an easy, convenient way to use your limited FSA funds to pay for eligible dental and vision items and services. It works just like a debit card, but utilizes smart technology so it can only be used to pay for expenses that are eligible according to IRS guidelines under the FSA plan.

The Chard Snyder Benefit Card eliminates the need to pay out-of-pocket, submit a claim, or wait for reimbursement. Simply swipe the card at your dentist's office or eye doctor's office and the funds are automatically deducted from your limited FSA.

You can also file a claim on the Chard Snyder Mobile App or your online account.

Do you still have the red Benny prepaid benefit card? You may use it until the date shown on the front. You will receive the new Chard Snyder Benefit Card just before your Benny card expires.

Why Do I Need to Save My Receipts?

The IRS requires Chard Snyder to confirm that you used limited FSA funds for an eligible service or purchase. You may be asked for copies of itemized receipts, statements, or Explanation of Benefits (EOB) from dentists' offices or eye doctor's offices and stores to verify eligible expenses.

Just take a picture of the itemized receipt with your smart phone and submit it using the Chard Snyder Mobile App or your online account. It's that easy!

Once you provide the requested information for a transaction that is not immediately recognized as eligible, the transaction in question is normally verified quickly. *(If you do not provide the requested documentation in a timely manner, your card may be turned off.)*
