PTO Rollover FAQs

Q: Does Paycor allow PTO rollover?

A: Paycor will be permitting PTO rollover for our US based Associates for the first time in 2022. Associates will be permitted to roll over unused PTO to their 2023 PTO balances.

Q: How many hours of PTO are permitted to be rolled over?

A: Associates can rollover a maximum of 40 hours from their 2022 bank to their 2023 bank.

Q: When does rollover PTO have to be utilized by?

A: Any rolled over PTO must be utilized by the end of March 2023. On March 31st, 2023, any unused rolled over PTO will be removed from Time on Demand.

Q: Will Associates who rollover PTO still receive frontloaded PTO 1/1/2023?

A: Associates will receive their frontloaded PTO for 2023 on 1/1/2023. Any rollover PTO will be added to the total balance.

Q: Where can Associates go to check their PTO balance?

A: Associate's most accurate and up-to-date balance can be found in Time on Demand (TOD).
